

MY NAIL CONNECTION · FOR NAIL TECHS

Stop reposting. Start *getting found*.

Your nail work, in one gallery that puts you in front of clients near you. Try it in your browser in one tap, or get the app on the App Store and Google Play.

1

Post your work once

Upload to one gallery instead of re-posting across Pinterest, Insta, and Facebook.

2

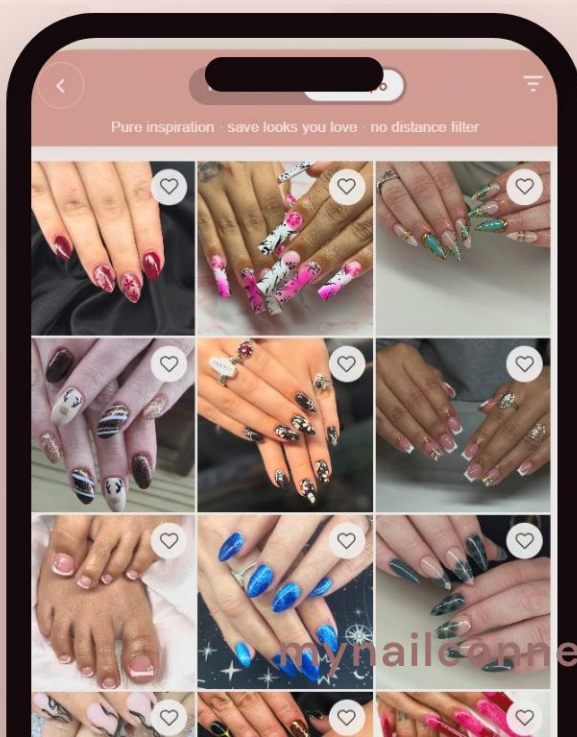

Get discovered nearby

Clients browse by shape and style and find you on the map. Your book fills itself.

3

Try it, then keep it, free

Open it in your browser, add it to your home screen so it works just like an app, or get it on the App Store and Google Play. No subscription, no cut of your bookings.

Take it for a *test run*.
